

NEW SUNDAY MORNING GROUPS

We have several new opportunities for you to connect on Sunday mornings at Lakewood. For more information on Group Life at Lakewood visit Lakewoodlife.org or email Stephen Jackson at sjackson@lakewoodlife.org

Robert Puckett & Benji Lavender have launched a new group that will be reading and processing God's word together through NT18. Here you will be encouraged in your personal walk with the Lord and equipped to live for Him!

Any age or stage of life

Scott & Dawn Smith love walking along side our younger couples here at Lakewood! They are launching a new group that is open to anyone who is engaged to be married or married 3 years or less. This group of Nearly & Newly couples will be learning foundational truths of marriage from a Biblical perspective.

Scott & Molly Legg are launching a new group with Andrew & Angie Beccue, and Spencer & Megan Arnold. They really enjoy seeing couples at Lakewood thrive in Christ. If you are in a relationship and under 35, you should definitely give this group a try! Here you will find a thriving community of couples that enjoy doing life together.

Josh & Beth have launched a new group with Hank and Jennifer Parker and Lynn Cox. Come study the book *Who I Am In Christ* with us as we find out who God sees when He looks at you and let that Truth transform how you view everything else in your life.
