Code Keepers

Greetings Code Keepers & Parents!

We hope you are excited about Code Keepers this year. We are so pleased you have chosen to participate in this program, strategically created to be an equipping environment in our Kids Cove Ministry!

Each week, our children will participate in three activities: Bible Memory, Bible Skills, and age appropriate electives. Bible memory will focus on the child learning one verse each week along with the meaning of that verse. Bible skills helps the children locate, identify, and interpret the different books of the Bible. Electives are a time when our children can explore their creative giftedness and give them avenues to express these God-given gifts. Electives are age appropriate and include music, art, drama, resource room, prayer & fellowship, and team time.

This handbook is intended to be used as a tool and should be brought to Code Keepers each week. In it, you will find the following information:

- Weekly Schedule of Activities
- Lesson and Memory Verse Overview
- Bible Skills Objectives
- Books of the Bible and Divisions
- The Code
- Memory Verse Plan and Completion Area
- Missions Market Information
- Code Keeper Pins

Our goal in Code Keepers is to learn the Code and live the Code. We strongly desire to help our children understand that loving the Lord with all our heart, soul, mind and strength is a way of life and not just an event.

We appreciate the opportunity to partner with you in laying a spiritual foundation in the life of your child as we seek to raise up a biblically literate, fully devoted generation of believers!
