## VISION FROM THE VALLEY

In this six-week study, we will reflect on six Psalms that pair with our OT19 readings about the life of David in 1-2 Samuel. From David's own meditations, we will glean how we can biblically and faithfully live our own lives in a manner that honors God even in the midst of life's deepest valleys.

## JOB: A STORY OF UNLIKELY JOY PRAYER STUDY FOR WOMEN

Ladies, join us for this study led by Beth Everett as we learn that how we handle life's hurts and disappointments matters. We'll also learn how to: trust in God's character; repair past or current wounds; realize God welcomes your difficult questions; let go of complacent Christianity; and pursue joy even in the midst of personal pain.

**Beginning September 4 and lasting 8 weeks**

**Time : 6:15-7:30pm | Room 108/109**

**Contact: Allie Weaver at [aweaver@lakewoodlife.org](mailto:aweaver@lakewoodlife.org)**

## CROSSPOINT CHOIR

Talent in the Crosspoint Choir ranges from novice voices to professionally trained singers. But the one thing they all have in common is their love of music and a willingness to serve by becoming part of this group. The music spectrum runs from Southern Gospel to sacred, and singing is only a small part of the benefit of being in the choir. We develop friendships, sustain each other with prayer and praise, and each section (soprano, alto, tenor, bass) becomes a small group in and of itself. It's a great way to become involved at Lakewood.

# FOR OUR CHILDREN AND STUDENTS

## KIDS COVE

Our mid-week program for grade school children embraces a strategic movement toward our vision statement to equip our children to become a biblically literate, fully devoted generation of believers. Code Keepers is a comprehensive approach which helps our kids embrace loving God with all their heart, soul, mind and strength as a way of life and not a weekly event. Our emphasis is on Bible skills, Bible memory, missions and games. Code Keepers also have the opportunity to participate in creative electives that enable them to explore their giftedness and ability which includes age appropriate options for music, art, drama and technology.

### FUSION FOR MIDDLE SCHOOL

Middle School Fusion (6-8th grade) meets on Wednesdays from 6:00-7:30 pm. We begin in The Lodge but finish in the Ministry Center (gym) next door. Doors open at 5:15 pm for students to hang out, play games, or eat dinner in our cafe. Middle School Fusion runs at the same time as Code Keepers (our kids ministry on Wednesday nights). While Middle School Fusion wraps up at 7:30 pm, any students waiting on an older sibling will still be supervised until High School Fusion lets out at 8:00 pm.

### HIGH SCHOOL FUSION

High School Fusion (9-12th grade) meets on Wednesdays from 6:45-8:15 pm in the Lodge. High School students are welcome to come early with their younger siblings and can hang out in the lodge or ministry center until we begin.
