

Having daily devotions re-patterns the way we think and transforms the spirit of our mind. As a result, when we face similar situations as Jesus did, we begin to respond in the way He responded.

Journaling is an excellent way to both record and process what God has spoken to us. It's also a useful tool to use at a later time, to reflect on and review some of the 'gems' you have received. Without writing your impressions down, you will likely forget those blessings and some very important lessons. While journaling is a very personal time with the Lord, you may want to share some of your insights with your small group or mentors. Through discussion, you may be able to look deeper into what God is speaking to you, gain new insight and even encourage others.

**Scripture**

Open your Bible to the reading for each day. Take time as you read. Don't rush. Allow God to speak to you. When you are done, look for a verse that particularly spoke to you and write it in down.

**Observation**

What do you think God is saying to you from this passage of scripture? Ask the Holy Spirit to teach you and reveal Jesus to you. Paraphrase and write your observations.

**Application**

Personalize what you have read. Ask yourself how it applies to your life right now. Perhaps it is instruction, encouragement, revelation of a new promise, or correction for a particular area of your life. Write how this scripture can apply to you today.

**Prayer**

This can be as simple as asking God to help you use this scripture, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say. Now, write it out.
