

## *A Smith Family Tradition*

*Scott and I started making Resurrection Rolls with our kids when they were very little. With three littles, we needed something simple to help them remember the Easter story.*

*They are all grown up now and they still ask for them every year. That proves you don't have to be a kid to enjoy them! We've added a grandson to the mix so the tradition now includes the next generation of our family.*

*This is a picture from Good Friday 2019. We pray that you will enjoy making them as much as we have. All you will need to add is the refrigerated crescent roll dough and the butter. We've provided the rest!*
