

## FAQS

### **WHAT IS BE WEEKEND AND WHERE DOES IT TAKE PLACE?**

Be Weekend is a two-day retreat for high school girls to unplug and spend time with their heavenly Father while growing in genuine community with one another. This will include extended time in God's Word, family groups, and fun activities. Be Weekend will take place at North Georgia Christian Camp in Clarkesville, GA ([531 Christian Camp Ln, Clarkesville, GA 30523](https://www.northgeorgiachristiancamp.com/)). Registration cost (\$35) covers: four meals, lodging, Bible study materials and a shirt.

### **WHAT TIME DOES BE WEEKEND BEGIN AND END?**

Be Weekend check in will be at 10:00am on Saturday, January 29 at North Georgia Christian Camp. Girls will need to eat breakfast before they arrive. Girls will need to be picked up Sunday afternoon by 2:15pm from North Georgia Christian Camp.

### **WHAT ABOUT TRANSPORTATION?**

We will NOT be providing transportation. Parents will need to bring their daughter(s) to Be Weekend or make other arrangements for them to get there/back with another girl/family. Girls who drive are welcome to drive their vehicles to the camp but will not be allowed to leave until the event is over. We encourage you to carpool with friends if possible. If transportation is an issue, let MaryBeth know, and we will help you find a ride.

### **WHAT SHOULD GIRLS BRING?**

- ◆ Linens (twin sheets and blanket or sleeping bag, pillow, etc.) Note: Linens are not provided at North Georgia Christian Camp
- ◆ Toiletries (toothbrush, toothpaste, shampoo, deodorant, etc.)
- ◆ Towel
- ◆ Casual, warm clothing
- ◆ Physical Bible (not on their phone) and pen
- ◆ Water bottle
- ◆ Watch (girls will not have their phone so it will be helpful to keep track of time)
- ◆ Snacks to share

### **WHAT IS THE PHONE POLICY?**

It is our hope that girls will choose to unplug this weekend. If girls choose to bring a phone, girls will turn their phone into a leader for the duration of the weekend.

## **WHAT IS THE MEDICINE POLICY?**

If you take prescription medication, please be sure to fill out the attached Medication Card and bring it with you to check-in on Saturday morning. Parents can decide if they want their girl to keep and take her own medication OR if they would like for an adult leader to administer this to the girl at the appropriate times. If girls self-administer the medication, she still needs to turn in a med card at check-in, but she is responsible to keep her meds in a safe place, remember to take them, and not to share her meds with anyone (any violation of this could result in her being sent home). Know that this information will be kept confidential with the appropriate adult leaders and that medication we administer will be kept in a safe place. Girls may bring and take their own over-the-counter/non-prescription medication (such as Advil, allergy medicine, etc.) with parent permission if it's kept in the original containers. Our adult leaders will also have some of this over-the-counter medication available along with a first aid kit.

If you have any questions or would like MaryBeth's cell phone number, please email her at [mbailey@lakewoodlife.org](mailto:mbailey@lakewoodlife.org).
