MUSICAL SYNOPSIS:

Jonah, the prophet of Israel sends and receives telegraphs to and from the Living God on behalf of the people, and all is fine, until the Lord tells him to go to that "dirty, rotten, flea-bitten foreign city called Ninevah" and preach against it! So, wouldn't ya' know it, instead of boardin' the east-bound train to Ninevah, Jonah hops a west-bound stage to Tarshish!

When a big storm comes up on the prairie, threatening to blow the stage over, the driver rolls the dice and up comes Jonah's number as the one who must be angering "the gods." Jonah confesses that he is running the opposite direction from what Jehovah instructed him, and he is thrown off the stage and lands in a ... well (say it with yer best cowboy twang!). No, not a whale ... an old, abandoned well, where he languishes for 3 days and 3 nights. And ... you know what happens from there! Once again, like in all Little Big Stuff musicals, it all points to Jesus, and the Good News of the gospel.

MUSIC AND DRAMA CAMP DETAILS:

Music and Drama Camp is an opportunity for our students to work together, collaborate, and use their talents and gifts to perform a musical at the end of the week. During Large Group, our students learn staging, drama and choreography. During Small Group, students work on the music and lyrics, paying close attention to rhythm, annunciation, tone, and pitch. To give our students time to get their energy out, we have recreation time. To give our students an opportunity for extended learning and creativity, we have break-out sessions that include writing and imagination, crafts, dancing, or scavenger hunts.

SOLOS AND ACTING PARTS

Each year we hold auditions ahead of time for lead roles and solos. Auditions for Jonah's Druthers will be held on April 30, 2023 from 1pm-5pm. There will be sign-ups for audition slots coming soon!

SCHEDULE:

Music and Drama Camp participants are kept on a rotating schedule where they participate in different aspects of the camp at 30–45-minute increments. They begin in a small group setting learning music, move to the Large Group setting to learn choreography, then into snack and recreation, and onto another skill building activity that changes each day. They will not be bored! Each day they are learning more and more of the music and message of the musical and it builds each day. By the end of the week, they will have learned an entire musical then get to perform that for all their friends and family on the last day.

PICTURE POLICY

We often take pictures to use on our church website, a slideshow at the end of the week, or for our church social media. If you have any issue with this, please contact me and let me know!
